

# FITBANDS®

BY FITBENCH®

We at FITBENCH® want to make your workout complete. The FITBANDS® are our take on resistance bands, but are so much more than the basic version you've seen at the gym. The FITBANDS® include three sets of bands, with carabiners on each end, and an individual sling bag to keep all your equipment organized. With a safer and longer-lasting design, our FITBANDS® are made to be challenged. Three bands can even be attached to a single handle, bringing the resistance up to 70 pounds. How will you use your FITBANDS®?
